

JANUARY 2016 ALL ABOUT CHILDREN LEARNING CENTER NEWSLETTER

CURRICULUM

Our Curriculum this month revolves around wintry topics. We will learn how New Years is celebrated around the world. We will take a look at animals that hibernate, the colors of winter, and everyone will be able to share their favorite Teddy Bear at AACLC's Teddy Bear Party!

New Sign In Computer

We have a new sign in and tuition program that will tentatively go into effect January 18th. I will show everyone how to use the new automated system and I'm sure everyone will love the convenience.

Thank You

We would like to thank everyone who came to our Holiday events and supported our Blood Drive. We were able to help 60 people with our drive. Thank YOU!

We Are Open MLK Day

Just a reminder to parents that we are OPEN on Martin Luther King Jr. Birthday. We are NOT closed!

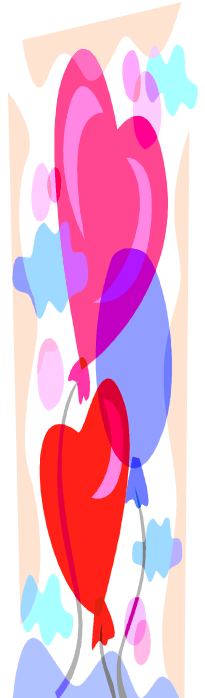

Snow

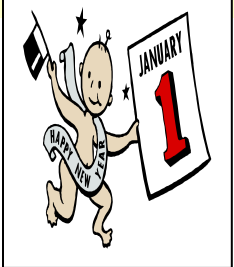

With this crazy weather, I'm not sure if we will see any snowflakes, but if we do, remember we will post on WJZ-Channel 13 closing and delay information. We will send an email to all families by 6am to inform you of any delays or closings.

BIRTHDAYS

- Alex Gubler 1/7
