

All About Children Learning Center January 2017 Newsletter

Curriculum

Our Curriculum this month will revolve around many interesting topics to start the new year for the children. We will learn about different New Year's Celebrations around the world. The animals that hibernate in this chilly season of winter, the colors of winter and everyone's favorite Teddy Bears!

Field Trip

We are planning a swimming field trip in February on a Tuesday. We are waiting on a date from North Arundel Aquatic Center and I will give you the date in February's newsletter. The cost should be \$15 for children includes bus, pool and lunch. Parents cost is \$10 just for entrance to pool. Parents must bring a lunch and must drive. The children will enjoy getting out for a fun activity during these chilly months!

Thank You

We would like to thank everyone who came to our Holiday events. The children and staff worked diligently and we hope everyone appreciated the events. We also want to thank all the parents for their thoughtful gifts to the staff.
