## Summer & Fall

I will have The Summer Camp Calendar out next week for all parents to see what the kids will be doing this summer. Please let me know if the children will be here for summer. If you are planning on doing Part Time for the Summer, please let me know in advance.

If you are planning on coming in the fall, especially if you are attending Kindergarten, please let us know by the beginning of summer so we can plan accordingly.

Our summer of full of great trips and activities for the children and we hope everyone enjoys the activities. The Summer camp will have a detailed letter explaining all the trips, activities, cost and times. We will email everyone the calendars as of Monday March 6th. One calendar will be for Infant and Toddler and one calendar for Preschool.
