

JANUARY 2018 ALL ABOUT CHILDREN LEARNING CENTER NEWSLETTER

CURRICULUM

Our Curriculum this month will revolve around many interesting topics to start the new years off for the children. We will learn about different New Year's Celebrations around the world. The animals that hibernate in this chilly season of winter, the colors of winter and everyone's favorite Teddy Bears!

Brigance Testing

I will be doing testing on all children starting this month and I will be having all results by the end of the month. I will start with Infants and work my way up to Kindergarten. If anyone would like to see testing, please come on in and I will share with anyone wanting to know more.

Thank You

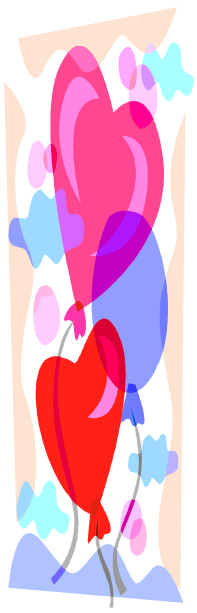

We would like to thank everyone who came to our Holiday events. The children worked hard as did the teachers and we hope everyone appreciated the events.
