FEBRUARY'S CURRICULUM

In February we will explore four different themes. We will learn about different forms of transportation used in our environment. We will learn the origins of Saint Valentine, our 5 senses and the importance of dental care. Black History will also be part of our curriculum. We have many things to learn this month!

On February 14th each class will have its own individual class party. Each teacher will put a sign up for their class' time and items they will need for the party. If you can bring in something...sign up ☺! Healthy food preferred! The children will also exchange Valentine cards at the party so make sure they have their cards ready. We will have class list available.

Updates :Our New Director

Hello! My name is Ms. Heather Kutcha. I have been working with children for 20+ years. I have an Associate's degree in Early Childhood Education. I love working with children and their families as they work towards taking their first steps towards Elementary School.

I am a mother to one daughter and a wife to my amazing husband. When not at work, we love to work on our cars together. We also love camping, as we go every weekend!

I look forward to meeting everyone.
