

JANUARY 2020 ALL ABOUT CHILDREN LEARNING CENTER NEWSLETTER

CURRICULUM

Our Curriculum this month will revolve around many interesting topics to start the new years off for the children. We will learn about different New Year's Celebrations around the world. The animals that hibernate in this chilly season of winter, the colors of winter and everyone's favorite, Teddy Bears!

Conferences

We will be offering Parent/Teacher conferences this month for children ages 2 and older for anyone interested. Please keep an eye out for sign up sheets in your child's class. Children under 2 can check in on their child's portfolio at any time.
